The Dalles, Oregon 97058

PRESS RELEASE

DATE: April 30, 2019
TOPIC: Pavement Preservation Projects for the week of April 29, 2019
CONTACT: City of The Dalles Public Works Department (541) 296-5401
FOR RELEASE: IMMEDIATELY

This week the City of The Dalles Public Works Department will begin preservation projects. Pavement grinding and paving for this inlay project will take place in the following location:

Eastbound travel lane of West 6th Street between Webber Street and Cherry Heights Road - Motorists are asked to drive with caution through the work zone during work hours. **Eastbound traffic will be redirected to the center turn lane from 7:00 a.m. to 5:00 p.m. at this location Wednesday May 1st and Thursday May 2nd during work hours.**

The purpose of this project is to make structural repairs to the roadway ahead of a chip sealing project scheduled for next month. This road work is expected to extend the service life of the pavement structure.

Please proceed with caution in these areas during construction times and observe all temporary traffic control devices. Thank you for your assistance during this work.

Learn more about the 2019 The Dalles Pavement Preservation Program at thedalles.org/transportation. If you have questions, please contact the Public Works Department at (541) 296-5401.

--end--

INLAY - Is the removal of the existing surface of asphalt to a predetermined depth. After the pavement is removed a thick new layer of fresh asphalt is paved back in place of the old asphalt. **Inlay projects may affect traffic flow for several days.**
